

Israel 2.0

**VISITING BIBLICAL SITES NOT
SEEN ON YOUR FIRST ISRAEL TOUR**

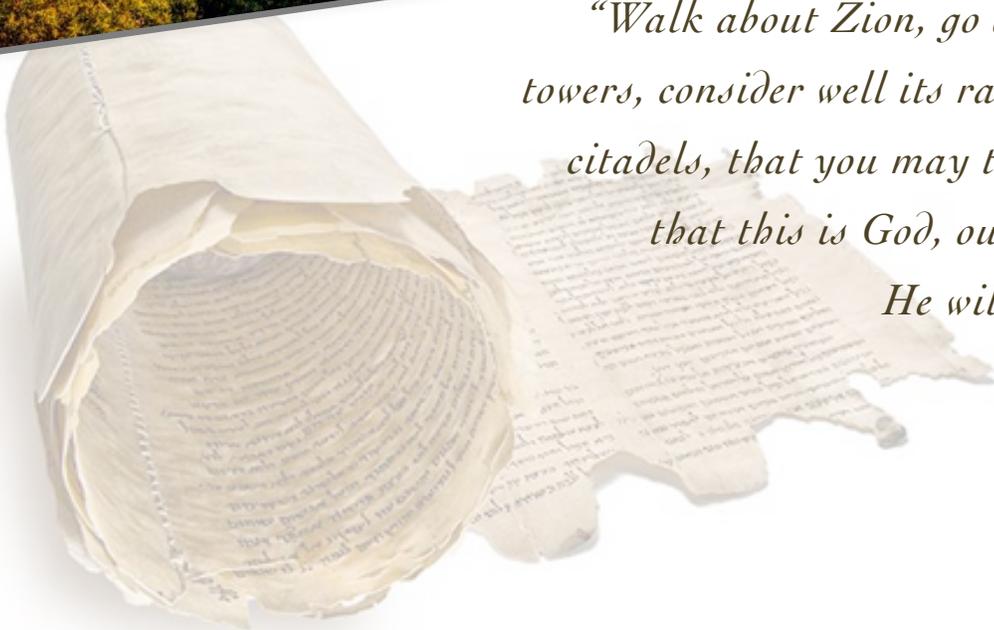

JUNE 3-13, 2020

“Walk about Zion, go all around it, count its towers, consider well its ramparts; go through its citadels, that you may tell the next generation that this is God, our God forever and ever.

He will be our guide forever.”

~ Psalm 48:12-14

“Biblical Sites Seldom Seen!”

Wish you could return to Israel and visit additional biblical sites you did not see on your first tour of the land? Now is your chance! Under the direction of two experienced Bible teachers, this life-changing tour will pay careful attention to the biblical relevance of the sites and artifacts of Israel that are usually missed on one's first tour of the Holy Land. This strong biblical emphasis on the authority and accuracy of the Word of God will allow you to have “devotions with your feet” as the Scriptures turn from black and white to Technicolor!

***On-site Bible teachers:
Dr. Richard Blumenstock
& Dr. David M. Hoffeditz***

With over 50 years of teaching experience and the opportunity of leading hundreds of individuals on countless biblical tours, these teachers will ensure that you make the most of your time abroad. Dr. Blumenstock's expertise resides in the Old Testament and Dr. Hoffeditz specializes in the New Testament. Collectively they have taught Biblical Archaeology, Bible backgrounds, Old and New Testament Surveys, and Biblical geography at the collegiate and graduate levels.

Highlights for this 11-day tour include:

- You will be staying in strategically located, 4-star hotels. These hotels are some of Israel's finest!
- You will visit over 30 biblically significant sites, including such locations as Acco, Beit She'an, Shiloh, Mt. Gerizim, Shechem, Beersheba, Jerusalem, and Gezer. Most of these sites the average tourist never visits!
- You will travel by four-wheel vehicles to visit Kirbet Quiyafa—the fortress where David met Saul prior to fighting Goliath and where later David built a palace.
- You will experience some of the most significant archaeological finds in the last 5 years. For instance, you will visit such locations as Shiloh to observe the foundation of the Tabernacle, the pavement within the Citadel where Jesus was most likely scourged, and the Solomonic gate at Gezer.
- You will visit Israel's newly renovated archaeological museum, the Rockefeller Museum. Often overlooked, this museum contains numerous key biblical artifacts.
- You will enjoy free time for shopping, exploring on your own, or simply sipping a cup of coffee.
- You will receive a 150+ page field-manual to enhance your time in the land.
- You will have a memorable farewell dinner.
